COSHOCTON CITY INCOME TAX INSTRUCTIONS (PAGE 2)

9. EMPLOYEE BUSINESS EXPENSES

Employee business expenses incurred to earn Coshocton taxable wages and properly reported to the IRS on form 2106 may be deducted from taxable wages by taxpayers who itemize deductions for federal taxes. Attach form 2106, Schedule A and page 2 of form 1040.

Business expenses incurred to earn income for work done in another city must be allocated to the city where the income was earned. In calculating credit for tax paid to other cities, net taxable income, after deducting allocated 2106 expenses, is the basis for determining the credit allowed.

Educator expenses deducted directly on the first page of federal form 1040 are **NOT** deductible for tax year 2015.

10. BUSINESS INCOME SCHEDULE (Schedule X) AND ALLOCATION FORMULA (Schedule Y)

Schedule X adjusts the federal net gain or loss for items where Coshocton city income tax applies differently from federal tax. Line I of Schedule X shows the starting figure to use. Business income attributable to interest, dividends, capital gains and losses are not subject to Coshocton city income tax. Expenses attributable to nontaxable income shall be added back in the amount of 5% of specified nontaxable amounts. City or state taxes based on income may not be deducted. For partnerships, guaranteed payments to partners are not deductible. Self-employed individuals and pass-through income recipients may NOT deduct one-half self-employment tax.

NOTE: Federal Schedules K, C & E can not offset each other.

NOTE: Income of S corporations remains taxable as if they were C corporations.

Schedule Y is used to determine the percentage of adjusted net business income to be allocated to Coshocton. It may be used only if business is conducted both within and outside the city of Coshocton. When this formula method is used, the following procedures must be observed.

Step 1. Determine the percentage which the average original cost of real and tangible personal property owned or used in the business, located within Coshocton during the period, is of the average original cost of all real and tangible personal property used in the business wherever located. The value of rented property is determined by multiplying the annual rentals by eight.

Step 2. Determine the percentage which the total wages, salaries and other compensation paid during the period to employees for services performed in Coshocton is of the total wages, etc. to all employees located everywhere.

Step 3. Determine the percentage which the gross receipts of the business from sales made or services performed in Coshocton during the period is of the total gross receipts from all sales and services wherever made or performed.

Step 4. Sum the percentages for each of the above steps used.

Step 5. Divide total of Step 4 by the number of percentages used. **Zero cannot be used as a percentage.**

MANDATORY DECLARATION OF ESTIMATED TAX - GENERAL INFORMATION

11. PURPOSE OF DECLARATION:

If you expect to have any taxable income in 2016 on which the proper amount of Coshocton tax will not be withheld by your employer, you must file a Declaration of Estimated Tax. It must be filed by the due date of the prior year's final tax return without extension, and you must pay at least one-quarter of the tax due by that date. Failure of a taxpayer to file a Declaration of Estimated Tax and pay quarterly installments of estimated tax will result in interest and penalty charges – see Instruction 13. Such taxpayers must also file an annual return of actual taxable income and pay any balance of tax due. For example for individuals, a Declaration of Estimated Tax for 2016 must be filed by April 18, 2016, including payment of the first quarterly amount due.

12. WHO MUST MAKE A DECLARATION:

- Every resident of the City of Coshocton, who expects to receive taxable income, wherever earned, from which the City of Coshocton Income Tax will not be withheld.
- Every non-resident of the City of Coshocton, who expects to receive taxable income, earned or derived from within the City, from which the City of Coshocton Income Tax will not be withheld.
- Every business entity, such as corporations, partnerships, fiduciary of active trusts, unincorporated businesses or professional entities conducting activities or producing income from within the City.

13. WHEN AND WHERE TO FILE DECLARATION:

File on or before April 18, 2016, with the Coshocton Income Tax Department, 760 Chestnut Street, Coshocton, Ohio 43812-1294. All wage earners must file on a calendar year basis. Fiscal year taxpayers shall file on or before the last day of the 4th month after their fiscal year end.

14. SAFE HARBORS:

Coshocton uses safe harbor approaches under which penalty and interest will not be charged. Safe harbors require that the annual tax return be timely filed (recognizing valid extensions) including both the 2015 return and 2016 Declaration of Estimated Tax (no extension allowed). All required payments must be timely paid in full including each quarterly estimate payment and the balance due by the original due date of the return. If those requirements are met, the safe harbor will apply and no penalty and interest will be charged if any one of the following conditions is met:

- if the final balance owing is less than \$100.00, or
- if credits total at least 100% of the preceding year's tax liability (on line 4), or
- if at least 90% of the current year's tax liability has been timely prepaid and/or withheld.

This section relates only to required declarations and payments, and not to the final amount due with the tax return for the year... see Instructions 3 and 4.

15. AMENDMENTS TO DECLARATION:

If your income situation changes materially from the estimate made on your original declaration, an amended declaration is required. You may use a new form and write across the face of it the word "Amended."
